I am looking at the afternoon of 5/18 for the meeting, due to scheduling conflicts of Working Group members. There remain two members from whom we have not yet received confirmations of their schedule (with some, it is like pulling teeth), but right now 5/18 still looks like the best day. We may have to hold the meeting over here to make it easier for Commissioners to drop in.

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

Say "Hi" to Cameron for me.

Hi Peg. I am sitting here with Cameron Quinn putting together this year's ballt conference for AUSAs. She send her best!

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

Lets raise this issue at the meeting. (I'll add "DRAFT" to the current document.) My concern is that there are a number of requirements in the Voting Rights Act. Not all of them are considered election fraud, when violated. For example, failure to preclear changes in election procedures is not treated as election fraud, though it is actionable. --- Peggy

Okay, Peg -- I will mark off the entire afternoon and try to be there. What is the agenda? I was not aware that this was anything beyond having your contractors spend another session with me. In the middle of the night I got the feeling that you may be right, that I did do a summary of the existing literature review (that Job, you approved) . I'll have to look for it on Monday (unless I go into the office over the weekend, which is possible). I may be hallucinating, but if not, I'll just present it at the meeting rather than try to get it to them ahead of time. Tova

I believe we have had several public events that have taken place since we gave them the Public Fraud List a few weeks ago.

Subject Re: Today's Teleconference

The teleconference is on. However, I am still one person down for the meeting and I am not comfortable. This will have to be discussed since from the start it was agreed that the WG would be equal and if I lost a person Tova would have to loose one. Further and most importantly, I don't yet have a hotel so my attendance is still up in the air. Finally, the agenda is not what we discussed and gives far too much time for areas that can be covered in a short time. Not listed are all of the questions that Tova's proposed agenda had. All in all, it needs to be redone.

4:00 eastern on Tuesday is fine however, given the financial restrictions that you indicated would be in place for use of my car (I would actually loose money coming to DC) and given the cost of hotels at this time (I can't afford to front these costs and wait for months to be repaid), etc, it would take a miracle for this working group meeting to take place in person. It is looking like the only way it will get done is by teleconference. I also share Tova's concern about the unknown nature of Mr. Perez.

Subject Voting Fraud-Voter Intimidation Working Group

Dear Mr. Ginsberg:

This is to confirm my call to your office this morning inviting you to be a member of and attend the upcoming meeting of the U.S. Election Assistance Commission's (EAC) Working Group on Voting Fraud-Voter Intimidation. The meeting is scheduled to take place from 1:00 PM to 5:30 PM on Thursday, May 18th, 2006 at the offices of the U.S. Election Assistance Commission (EAC), 1225 New York Avenue, NW, 11th Floor, Washington, DC.

Section 241 of the Help America Vote Act of 2002 (HAVA) requires EAC to conduct research on election administration issues. Among the tasks listed in the statute are the development of:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office [section 241(b)(6)]; and
- methods of identifying, deterring, and investigating methods of voter intimidation [section 241(b)(7)].

EAC's Board of Advisors recommended that the agency make research on these matters a high priority. Subsequently, the Commission contracted with two consultants (Job Serebrov and Tova Wang) to:

- develop a comprehensive description of what constitutes voting fraud and voter intimidation in the context of Federal elections;
- perform background research (including Federal and State administrative and case law review), identify current activities of key government agencies, civic and advocacy organizations regarding these topics, and deliver a summary of this research and all source documentation;
- establish a project working group, in consultation with EAC, composed of key individuals and representatives of organizations knowledgeable about the topics of voting fraud and voter intimidation;
- provide the description of what constitutes voting fraud and voter intimidation, and the results of the preliminary research to the working group, and convene the working group to discuss potential avenues for future EAC research on this topic; and
- produce a report to EAC summarizing the findings of the preliminary research effort and working group deliberations that includes recommendations for future research, if any;

We strive to include bipartisan representation on the Working Group associated with this project. You were recommended for this project by our Republican consultant, Job Serebrov. Your ideas for possible EAC activities related to this topic will help the agency as it plans future actions to meet its HAVA responsibilities.

If you can find the time in your busy schedule to participate, I will have an information packet delivered to your office by COB, Monday, May 15. Please let me know if you are available. Thank you.

The non-election officials on the Working Group currently include:

- Bob Bauer, Perkins Coie, DC (Democrat attorney)
- Mark "Thor" Hearne, Lathrop & Gage, St Louis, MO (Republican attorney)

I am trying to recruit one other Republican attorney, Patrick Rogers, Modrall, Sperling, Roehl, Harris and Sisk, NM, who was recommended by our Republican consultant. He would replace an original member who is no longer available.

I know that Barbara has associated at conferences and in legislative efforts with Wade Henderson, Leadership Conference on Civil Rights. Subject: RE: Voting Fraud-Voter Intimidation

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Okay, Peg - - I will mark off the entire afternoon and try to be there. What is the agenda? I was not aware that this was anything beyond having your contractors spend another session with me. Also, if they will be needing stats and stuff like that I need to know as I will bring my state-people with me.

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

Hi Peg. I am sitting here with Cameron Quinn putting together this year's ballot conference for AUSAs. She send her best!

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

Hi Job,

Peg tells me that we should now be getting the transcript early next week. Regardless, we should talk about the organization and distribution of work on the final report and try to finally get it done. Would it be possible for you to do a call before you leave for work in the morning, say 8 am your time, on Wednesday? If not, could you do 6 pm your time on Wednesday? Thanks.

I can't predict when I get home but it is between 5:30 and 6:30 my time. I know that is generally too late to have a teleconference.

I plan to review Tova's recommendations this weekend and work on my own as well as expanding the explanation of the case section.

Please see what your financial officer did with regards to my travel.

Thank you,

Job

Peggy:

Any sign of the transcript? Will the other members of the working group get a copy? I have had questions from several about it.

If you want to talk I can do so this Friday at 6 pm your time.

Peggy:

I can't predict when I get home but it is between 5:30 and 6:30 my time. I know that is generally too late to have a teleconference.

I plan to review Tova's recommendations this weekend and work on my own as well as expanding the explanation of the case section.

Please see what your financial officer did with regards to my travel.

Thank you,

Job

Subject Suggestions

Peggy:

When Tova sent me her suggestions I made some changes and additions. Tova later wrote to me and said she expected me to come up with my own list. Due to time constraints and at risk of duplication I rather go with the corrected suggestions.
